Anaconda SFD Site on NPL 122215.pdf

Hello Pam:

Per your recent conversations and email exchanges with Jared, here's our letter seeking Governor Sandoval's concurrence on adding the Anaconda Copper Mine in Yerington, Nevada to the Superfund National Priorities List. I would appreciate if you could pass along Jared's letter to the Governor. We are also sending a hard copy of the letter through regular mail.

We look forward to continue working with you and our colleagues at NDEP on the path that lies ahead. Should you have any questions, please call me at the numbers below.

Best Regards,

Enrique Manzanilla
